

CSU's Liability Requirements for Student Professional Internships and Practicums in Healthcare Fields (see list below)

STUDENT NAME:		STUDENT ID#		
ACADEMIC YEAR & SEMESTER(S) ENROLLED IN INTERNSHIP: Fall _____(YR)      Spring _____(YR)      Summer _____(YR)				
ITEM #	QUESTION	YES	NO	CORRECT ANSWER SHOULD BE
1.	Is the course a for credit course?			YES
2.	Will the student be enrolled in the internship/practicum course (or completing an "Incomplete" grade for the internship/practicum course) during the semester in which the internship/practicum will occur? (If student was enrolled in the internship/practicum course during spring semester immediately preceding the summer term then answer can be "yes.")			YES
3.	Is the course required for students seeking a professional designation or a refresher course for healthcare providers (see list below)?			YES
4.	Is the student enrolled and engaged in the healthcare curriculum at CSU with the intent of receiving a professional designation?			YES
5.	Has the student graduated from CSU within the past six (6) months and are they a candidate for certification and/or licensing as a healthcare provider?			YES
6.	Has the student already received a professional designation, but is enrolled and engaged in healthcare provider refresher courses with CSU?			YES
RESULT:	Items #xx, are in conflict with the CSU's Student Professional Liability policy and therefore this would not qualify for Student Professional Liability coverage.
